A very Remarkable Case of Cuncer Cured by Dr. W. C. COUDEN, of Louisville, Ky.

I wish to make a statement to the public, of the case of my little son, only 3½ years old, who was so terribly afflicted with cancer, which was thought to be incurable when i placed him under the Doctor's care. The cancer was a very large one, involving almost the entire cheek. It appeared to be of a very malignant character, and rapid growth, and had been coming for about three years. I have seen and heard of a great number of cases cured by Dr. Couden's treatment, and in the strongest manner I recommend him to all afflicted to make no delay in securing Dr. Couden's treatment, as I believe his treatment to be less painful and far superior to any other physician in the United States.
